PRESIDENT'S MESSAGE....

Looking for some business today? You know we have asked that question before, but is it more pertinent today? And how should businesses connect with community? I was reading a book last night, and so happy when I said to myself...we are already doing this...Buy & shop Local, what can you use within 10 minutes driving time? Are we connecting with the community we live in? Today I have some good news.

We are always looking for creative ways that put our members in front of their next potential customer, but we are also looking to have some fun...Remember that word? In reaching out, we have connected...and people are excited...and participating...in the SE Community Fun Fest.

The First Annual Big Event...right here in our area. Read on, hop on board. There are opportunities to sponsor different areas, highlight your business in different ways, network with local people, and invest in the community. What a concept!

As my tenure as President comes to a close, I am looking for great leadership to come from our membership. We have started great things in this part of the county, the groundwork has been laid, and new paths have been forged. All you need is a passion and a heart for people.

Stay tuned for the program and nominating committee reports!

Sincerely,

Denise H. Osborne
